

# I'm running for L.A. County Assessor to bring back integrity, accountability and leadership to this office.

I am not a career politician but a taxpayer like yourself that wants our political representatives to have integrity, be experienced, and operate with professionalism.

I was born and raised in L.A., have a family here, and own property in the County. For the last 12 years, I have worked as a Deputy Assessor for the L.A. County Assessors Office. My experience is not only with a government agency, but in the private sector as well. I was also a small business owner that had to meet a payroll.

Join me in fighting for your property rights. I have the integrity, experience, and leadership to get the job done.
